

The days of the week

*La señora Tierra gira sobre un pie
Y cuando termina ya un día se fue
Cada siete giros es una semana
Y a esos siete días así se les llama*

*Monday, Tuesday, Wednesday, Thursday, Friday,
Saturday and Sunday
Monday, Tuesday, Wednesday, Thursday, Friday,
Saturday and Sunday
Lunes martes miércoles jueves, viernes sábado y
domingo
El domingo se descansa para así sentir a Dios
Que bonito es el domingo, se siente el amor
de Dios*

*Mother Earth likes to spin around
And once she has finished another day is done
Every seven turns makes up a week
And these seven days, you will sing their names*

*Monday, Tuesday, Wednesday, Thursday, Friday,
Saturday, and Sunday
Monday, Tuesday, Wednesday, Thursday, Friday,
Saturday, and Sunday
Monday, Tuesday, Wednesday, Thursday, Friday,
Saturday, and Sunday
On Sunday, we rest and we feel the love of God
Sunday is so nice because we feel the love of God*
